The screenshot shows a Windows desktop environment. A window titled "Transfer" is open, featuring a light gray background and standard window controls (minimize, maximize, close). The window contains four text input fields labeled "Applicant Name", "Debit Account Number:", "Amount:", and "Credit Account:". A blue "Transfer" button is positioned below the input fields. The Windows taskbar is visible at the bottom, displaying the search bar with the text "Type here to search", several application icons (including File Explorer, Edge, and various utilities), and the system tray showing the date and time as "19:22 28-11-2021".
